LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950						

SYNOPSIS:

On 05-06-11 at approximately 2243 hours, NCPD officers responded to investigate a call of a check the welfare of a female who was lying on the ground, naked from the waist down, in the area of 24th Street and D Avenue, in National City. When NCPD officers arrived on scene, they located the female lying on the ground along the south curbline in the 400 block of E. 24th Street. Several witnesses advised the officers that the vehicle, possibly involved in the incident was a white [REDACTED] bearing California license plate [REDACTED]. While the officers were on scene with the incoherent female, the alleged suspect vehicle drove by their location. Sergeant Aydelotte got behind the alleged suspect vehicle in the 2300 block of D Avenue and attempted to conduct a traffic stop on the vehicle. The driver of the vehicle, later identified as Michael Angel Osuna, failed to yield to the police vehicles emergency lights and continued to travel northbound through a parking lot of the Park Apartments, located in the 2300 block of D Avenue. When Osuna exited the parking lot, he proceeded to travel northbound on D Avenue, and eventually yielded along the north curbline in the 300 block of E. 22nd Street.

Once Osuna yielded in the 300 block of E. 22nd Street, Sergeant Aydelotte initiated a high-risk vehicle stop. During the high-risk vehicle stop, Osuna failed to comply with the officers commands. For approximately 20 minutes, Osuna failed to comply with the officers orders, and began to reach into the vehicles glove compartment, center console, and the passenger compartment of the vehicle. At one point, it appeared as if Osuna removed a bag from the back seat of the vehicle and placed it on the front seat. [REDACTED]

After an approximately 20 minute standoff, Osuna sped away from the scene westbound on E. 22nd Street. Osuna collided into a parked vehicle and the front bumper of Officer Taylor's marked National City police vehicle, which was blocking traffic at the intersection of E. 22nd Street and C Avenue. After colliding into the two vehicles, Osuna continued to drive westbound on E. 22nd Street, and veered towards Officer Taylor, who was standing next to his police vehicle. As Osuna veered toward Officer Taylor's position, Officer Taylor fired [REDACTED] rounds into the driver's side door of Osuna's vehicle.

Osuna continued westbound on E. 22nd Street at a high rate speed. Osuna led NCPD officers on a high-speed pursuit, reaching speeds in excess of 110 mph, through the City National City, northbound on the I-5 freeway, into the City of Coronado. Osuna eventually lost control of his vehicle and collided into the center divider of the eastbound lanes of the Coronado Bridge, rendering the vehicle inoperable. A second high risk vehicle stop was initiated at the scene of the collision, and Osuna again failed to comply with the officers orders, exited the vehicle and began running eastbound on the Coronado Bridge. After a short foot pursuit, NCPD officers took Osuna into custody. Osuna was later transported and booked into county jail for 245(c) PC, and 2800.2 VC.

ORIGIN:

On 05-08-11 at approximately 2243 hours, I was dispatched to investigate a call of a check the welfare of a female who was possibly intoxicated, or under the influence of a controlled substance, and lying on the ground with no pants in the area of 24th Street and D Avenue.

INVESTIGATION:

REPORTING OFFICER Hernandez	ID# 430	DIVISION PAT	APPROVED BY Hernandez	ID# 376	DATE AND TIME OF REPORT 05/08/2011 04:29
--------------------------------	------------	-----------------	--------------------------	------------	---

ORIGINAL - 05/09/2011

INCIDENT NUMBER		SAN DIEGO REGIONAL OFFICER'S REPORT NARRATIVE		PAGE 8 OF 11	CASE NUMBER 1102435
CONTINUED FROM ARR/ UV, CON.	BEAT 24	DISTRICT	DATE 05/06/2011	DAY OF WEEK Fri	TIME 23:25
PRIMARY CODE SECTION PC 245C - ADW ON PEACE OFFICER/FIREMAN/NOT GUN - Fe n					
ADDITIONAL CODE SECTION(S) VC 2800.2 - DRIVE WITH WILLFULL DISREGARD FOR SAFTY - Fe n					
LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

While I was en route to the call, NCPD dispatch advised that the female was lying underneath a white [REDACTED] bearing California license plate [REDACTED]. When NCPD officers arrived on scene, they located the female, later identified as [REDACTED] lying on the on the sidewalk in the 400 block of E. 24th Street. [REDACTED] was incoherent, and was not wearing any pants or underwear (refer to Officer A. Gonzalez' supplemental report for details). While Officer Cardoza and Officer Gonzalez were checking on the female's welfare, several witnesses on scene pointed out the alleged suspect's vehicle as it drove by their location (refer to Officer Cardoza's supplemental report for details). I heard via the radio that Sergeant Aydelotte got behind the white [REDACTED], as it turned northbound on D Avenue from 24th Street. After Sergeant Aydelotte attempted to make a traffic stop on the vehicle, it failed to yield and for approximately 1 1/2 city blocks, and eventually yielded along the north curblin of the 300 block of E. 22nd Street (refer to Sergeant Aydelotte's supplemental report for details).

When I arrived at the location of the traffic stop, I saw that Officer Cardoza and Sergeant Aydelotte had initiated a high-risk vehicle stop. Unsure as to what had happened to [REDACTED] and to why the vehicle failed to yield, I removed my Police Service Dog "Sat" from my vehicle and [REDACTED]. I saw that the driver of the vehicle, later identified as Michael Angel Osuna, had his driver door partially opened and had both hands extended out of the driver's side window. [REDACTED] and began to yell at Osuna to keep his hands up. Osuna kept reaching into the passenger compartment of the vehicle with his right hand. Since the vehicle's rear passenger windows and the rear windshield were tinted, I was unable to see what he was reaching for. After I continued to yell commands at Osuna to keep his hands up, he continued to place his right hand out of the window shortly, and then proceeded to reach into the vehicle.

Since Officer A. Gonzalez was unable to obtain any additional information from the unconscious [REDACTED] as to what had occurred and what Osuna's involvement was, I walked back to my police vehicle and placed my PSD "Sat" back into the back of the car. I removed my [REDACTED] issued [REDACTED] from my [REDACTED] and advised Sergeant Aydelotte that I was going to take a [REDACTED] in an attempt to gain a better observation point on Osuna. [REDACTED]

[REDACTED] I could only see Osuna from the chest up. I continued to yell commands at Osuna and advised him that he needed to show us his hands. Osuna was non-compliant and continued to reach into the glove box, center console, and around the passenger compartment of the vehicle. At one point during the 20-minute standoff, Osuna reached into the back of the vehicle it appeared as if he pulled a bag or backpack from the back seat. While I was yelling commands at Osuna, I saw that he kept looking down towards his lap. While he was looking down at his lap, it appeared as if he was doing something with his hands. I heard what sounded like metal being rubbed together, almost as if he was possibly loading a firearm. [REDACTED]

When Corporal Ballardo relieved me from my position, I ran back to my police vehicle and removed my PSD "Sat" [REDACTED]. Sergeant Hernandez had the [REDACTED] and as soon as he attempted to fire it, the [REDACTED]. Osuna started his vehicle and sped off westbound on E. 22nd Street, towards two marked National City police vehicles, that were blocking the intersection of E. 22nd Street and C

Avenue. When Osuna sped off, I ran back to my police vehicle, placed my PSD "Sat" into the back of the vehicle. When I got into the driver's seat of my police vehicle, I heard two gunshots from the direction in which Osuna fled.

As I began to drive westbound on E. 22nd Street, an officer advised over the radio that the gunshots were from an officer that was at the intersection of E. 22nd Street and C Avenue. I saw that Osuna vehicle was travelling at a high rate of speed towards National City Boulevard. Corporal Ballardo got behind Osuna's vehicle and began to pursue him westbound on 22nd Street. [REDACTED] I saw a shower of sparks come from the under carriage of Osuna's vehicle as he hit the dip at the intersection of 22nd Street and National City Boulevard, where he failed to yield to the posted stop sign. Osuna continued to travel westbound across National City Boulevard and then turned left and drove the opposite way down the one-way portion of the 2200 block of Wilson Avenue. Osuna made a westbound turn onto Mile of Cars and took the onramp to the I-5 northbound. Once Osuna was on the freeway, he drove in the #1 lane of the I-5 freeway, reaching speeds in excess of 100 mph. Once we neared the entrance to the I-75 freeway (Coronado bridge), Osuna made an abrupt lane change over all four lanes of traffic and got onto the Coronado bridge. Corporal Ballardo and I continued to pursue Osuna over the bridge, where he reached speeds in excess of 80mph.

Once Osuna exited the bridge, he continued to run several stop signs in the City of Coronado, and continued to drive recklessly (refer to Corporal Ballardo's supplemental report for mileage and the exact route of the pursuit). Osuna eventually got back onto the I-75 freeway and proceeded to travel eastbound towards San Diego. As Osuna attempted to swerve between two vehicles that were also traveling eastbound on the bridge, he lost control of the vehicle and collided into the cement barrier. Osuna's vehicle came to rest along the center median of the bridge, and due to the collision, it was rendered inoperable. I exited my police vehicle, and ran up to the passenger side of Corporal Ballardo's vehicle. With my duty weapon drawn, and pointed at Osuna's vehicle, I saw Osuna open the driver's side door. Osuna exited the vehicle and began running towards the south side of the bridge.

Fearing that he was going to jump off the bridge, I began to pursue Osuna on foot, and continued to yell at him to get on the ground. As I approached Osuna, I saw that he was not holding anything in his hands. I re-holstered my weapon, grabbed Osuna by the back of his jacket, [REDACTED]

[REDACTED] When Osuna fell to the ground, he continued to resist and brought his hands towards his chest. Fearing that he was reaching for a weapon, I punched Osuna in the back, and punched him twice on the right side of his torso, while giving him commands to stop resisting and to place his hands behind his back. After a brief struggle, Corporal Ballardo, Officer Cardoza, and I were able to take Osuna into custody.

After Osuna was detained, I checked his person and ensured that he had not been shot, or suffered any other injuries because of the incident. When Osuna checked ok, I conducted a search of his person incident to arrest. While searching Osuna, I located a green handled Spyderco folding knife in his left rear pants pocket. Osuna was displaying objective symptoms of being under the influence of an intoxicating beverage. Osuna had an odor of an intoxicating beverage coming from his person, glossy eyes, and was having trouble walking.

After the search of Osuna's person, Corporal Ballardo transported him to NCPD for processing. While en route to the station NCPD dispatch was advised to contact a phlebotomist and have them respond to the station. Officer Cardoza assisted my investigation by photographing Osuna's vehicle, while California Highway Patrol officers took the collision report. After the collision report was completed, Officer Cardoza impounded the vehicle for evidence and had it brought to NCPD for storage (refer to Officer Cardoza's supplemental for details).

On 05-07-11 at 0016 hours, the phlebotomist from Specimen Specialists of America Inc. removed two vials of blood from Osuna. The two vials of blood were impounded at NCPD Property and Evidence under tag#: I0068170 for analysis.

Due to the officer involved shooting, NCPD detectives were called out to the scene and assisted with the investigation (refer to supplemental reports for details).

While we were processing Osuna, Officer A. Gonzalez and NCPD detectives continued their investigation with the female, [REDACTED] at the hospital. It was later determined that [REDACTED] was the girlfriend of Osuna, and the registered owner of the vehicle he was driving at the time of the incident (refer to supplemental reports by Officer A. Gonzalez and NCPD detectives for further details). While Osuna was at NCPD Officer Cardoza and I took several photographs of his person. I located an approximately 4" scratch on the left side of Osuna's torso.

I later impounded the knife at NCPD Property and Evidence under tag#: I0068192.

After Osuna was interviewed by NCPD detectives and processed at NCPD, he was transported and booked into county jail for 245(c) PC (Assault with a deadly weapon on an officer) and 2800.2 VC (felony evading), without incident.

CALLOUT:

On Friday, 5/6/2011, at about 2345 hours, Detective Bavencoff #379 notified me that there was a detective callout for an officer involved shooting near E. 22nd Street & "D" Avenue. I arrived at about 0008 hours on Saturday, 5/7/2011. I saw that crime scene tape had been erected cordoning off E. 22nd Street from roughly the west curblin of "D" Avenue to west of "C" Avenue. Marked police cars and officers were protecting the scene on both sides.

BRIEFING:

On 5/7/2011, at about 0055 hours, Acting Sergeant Aydelotte #404 held a briefing for detectives. During the briefing, I was told the following information:

- Officers responded to the area of E. 24th Street & "D" Avenue for a report of a person down, described as a partially nude and unresponsive female. Officers feared that she might have been drugged and been the victim of a sexual assault.
- While officers were on scene with the female, a possible suspect vehicle drove by, which was a white [REDACTED]
- The [REDACTED] pulled over along the north curblin of the eastern part of 300 E. 22nd Street, in between a gap in the parked cars. The driver did not comply with officers, and subsequently led officers on a vehicle pursuit.
- Acting Sergeant Aydelotte's police car, Equipment #438, remained at the scene and did not join in the pursuit.
- A black [REDACTED] at the northeast corner of E. 22nd Street & "C" Avenue was struck by the suspect vehicle as it fled (police cars had blocked the suspect vehicle's path at "C" Avenue).
- Two traffic cones in the middle of the street at E. 22nd Street & "C" Avenue had been placed over two shell casings from when Officer Taylor fired his weapon.

INCIDENT NUMBER	SAN DIEGO REGIONAL OFFICER'S REPORT NARRATIVE			PAGE 3 OF 6	CASE NUMBER 1102435
CONTINUED FROM OFFICER'S REPORT ONLY	BEAT 24	DISTRICT	DATE 5/6/2011	DAY OF WEEK Fri	TIME
PRIMARY CODE SECTION VC 2800.2(A) - EVADING PEACE OFFICER WITH WANTON DISREGARD ETC.					
ADDITIONAL CODE SECTION(S) VC 23152A - DUI ALCOHOL AND/OR DRUGS					
LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

GENERAL SCENE INFORMATION:

The scene consisted of E. 22nd Street from "D" Avenue to just west of "C" Avenue.

The incident took place during darkness. The scene was illuminated somewhat by lights at the following locations:

- Southwest corner of E. 22nd Street & "D" Avenue (two standard streetlights)
- Northwest corner of E. 22nd Street & "C" Avenue (one standard streetlight)
- South side of 300 E. 22nd Street (two small lights)
- Lights from nearby apartment parking lots
- Porch lights - various residences

E. 22nd Street is a paved asphaltic concrete roadway that runs east/west. There is one lane in each direction, but there are no lane markings painted on the roadway delineating opposing traffic. On-street parking is allowed on the both sides of the street. Single detached homes are on the north side of the street. A large apartment complex is on the south side of the street. E. 22nd Street terminates to the east at "D" Avenue.

"D" Avenue is a paved asphaltic concrete roadway that runs north/south. There is one lane in each direction. Opposing traffic is delineating by a dashed yellow line painted on the roadway. On-street parking is allowed on the both sides of the street. Single detached homes are on the west side of the street, north of E. 22nd Street. A large apartment complex is on the west side of the street, south of E. 22nd Street. There is also a large apartment complex on the east side of the street.

"C" Avenue terminates to the south at E. 22nd Street. "C" Avenue is a paved asphaltic concrete roadway that runs north/south. There is one lane in each direction, but there are no lane markings painted on the roadway delineating opposing traffic. On-street parking is allowed on the both sides of the street. Single detached homes are on both sides of the street.

SCENE INVESTIGATION:

CSS (Crime Scene Specialist) Kirkendall #4756 assisted by taking time-exposure photographs of the scene and collecting the two shell casings. She gave the shell casings to me, which I later impounded.

I noted the following items of interest in the scene:

- Two shell casings, marked as Evidence Markers 1 and 2, on E. 22nd Street at "C" Avenue. These items were documented in the scene diagram.
- Acting Sergeant Aydelotte's police car (Equipment #438), which was parked facing west in the eastern portion of the 300 block of E. 22nd Street. The vehicle's position was documented in the scene diagram.
- Near Acting Sergeant Aydelotte's police car: a single [REDACTED] (a roll of crime scene tape was placed around the [REDACTED] so it could be protected at the scene); off-white dust (appeared to be [REDACTED] from a [REDACTED]); two black rubber gloves. These items were documented in the scene diagram.
- The black [REDACTED] (CA [REDACTED] that was struck by the suspect vehicle was found in an uncontrolled resting position along the northeast corner of E. 22nd Street & "C" Avenue facing in a northwesterly direction. Its position was documented in the scene diagram. The [REDACTED] sustained moderate damage to the left front quarter panel forward of the tire, and to the front bumper and grille. Note: after viewing the footage from Sheriff's ASTREA helicopter, the [REDACTED] was originally parked facing east along the north curblin of E. 22nd Street. The force of the suspect vehicle's collision with the [REDACTED] moved the [REDACTED] forward and to the right. Using a new rubber glove, I collected flakes of paint into an envelope from the left front area of the [REDACTED]
- Vehicle debris in the area left and forward of the [REDACTED]
- On the pavement along the west side of the [REDACTED] were two tire friction marks (TFMs) that were likely made by the suspect vehicle during the collision. The TFMs were only barely visible, so CSS Kirkendall and I positioned orange evidence marker arrows on the ground over the TFMs so their location could be depicted in photographs and documented for the scene diagram.

ADDITIONAL CODE SECTION(S) VC 23152A - DUI ALCOHOL AND/OR DRUGS					
LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

After CSS Kirkendall secured, I attempted to photograph the vehicles using her Nikon camera. Because I am unfamiliar its operation, the pictures I took were not to my satisfaction. After daylight broke, I took photographs with my Department-issued Panasonic Lumix camera.

I measured and documented the scene using a Nikon pulse laser total station. Refer to the scene diagram for further information. I collected all evidence (with the exception of the two shell casings, which were collected by CSS Kirkendall) and then opened the scene at about 0724 hours.

I returned to NCPD and secured the evidence in the Investigations Evidence Room, where it was stored until I impounded it on 5/9/2011.

AERIAL PHOTOGRAPHS:

Later in the morning of 5/7/2011, I took areal photographs of 300 E. 22nd Street and the surrounding area from Sheriff's ASTREA helicopter. Most of the parked cars, including the black [REDACTED] were still present at the time of the photos.

ASTREA VIDEO

The Sheriff's ASTREA helicopter crew filmed the incident and subsequent pursuit and arrest. On 5/9/2011, I went to Sheriff's ASTREA Base and picked up the DVD. I made two copies for Detective Bavencoff and I impounded the original.

NCPD EQUIPMENT #475 (OFFICER TAYLOR'S POLICE CAR):

On 5/10/2011, Detective Bavencoff asked me to photograph the police car (Equipment #475) that Officer Taylor was driving on the night of the incident. Detective Bavencoff said that the car was now parked in the underground garage at NCPD. I went to the garage and located 475 in a patrol car parking stall. I knew that Corporal Ballardo thought the suspect vehicle struck Officer Taylor's police car, so I closely checked it for any damage. I did not locate any dents, scrapes, or anything to indicate that 475 had been in a collision. I also found that all of the car's headlights, taillights, and emergency lights were functioning properly. I photographed 475 and later impounded the photographs at NCPD.

911 CALL AND RADIO TAPES:

As part of this investigation, I requested that NCPD Property & Evidence Division make copies of the 911 call and police radio traffic. PES (Property & Evidence Specialist) Flores #4654 made the copies and burned them onto a CD, which I impounded.

PRIMARY CODE SECTION PC 245C - ADW ON PEACE OFFICER/FIREMAN/NOT GUN					
ADDITIONAL CODE SECTION(S) VC 2800.1(A) - EVADING PEACE OFFICER					
LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

Investigator Follow Up:

On Friday, May 6, 2011 I was conducting training at National City Police Department, when I became aware of an Investigations callout at about 2345 hours. I responded to the scene of the incident which was in the 300 block of east 22nd Street in National City for the formal briefing of the circumstances surrounding the incident.

During the briefing, I learned that National City Police Officers responded to a call from citizens reporting that a partially nude female had been found along the curb in the area of 24th Street and D Avenue. The female was incoherent and was reported at one point a passenger inside a white [REDACTED] and was either forced or fell out of the vehicle. Based on the circumstances and condition the female was found, there was a concern of the possibility she was sexually assaulted prior to being found by the reporting citizens.

Detective Villariasa and I were assigned to work with Officer A. Gonzalez and conduct an investigation into the possibility the victim was sexually assaulted. Villariasa and I responded to Sharp Hospital in Chula Vista and met with Gonzalez who was with the victim. Gonzalez told us she was unable to obtain any information from the victim who was incoherent. The female initially only know as [REDACTED] displayed characteristics of consuming excessive amounts of alcoholic beverages. As the victim sobered up, we were eventually able to learn her name was [REDACTED] and she resided at [REDACTED] in National City. As more time passed, [REDACTED] was able to tell us Miguel "Michael" Osuna was her boyfriend of over a year and was driving her car the last she knew.

Villariasa was able to conduct an interview with [REDACTED] regarding her account of the events leading up to the removal of her pants and her being left partially nude on the curb/sidewalk. [REDACTED] only remembered drinking with her brother and Michael Osuna at Stoney's bar in National City. She continuously stated she got off work at 5:00pm and went to Stoney's almost immediately afterwards.

On Sunday, May 8, 2011, I responded to Stoney's and met with management to obtain the video surveillance of Miguel Osuna and [REDACTED] actions following the incident leading to Osuna's arrest. At Stoney's, I also viewed the footage and saw that Osuna and [REDACTED] were on video with a group they appear friendly. The video surveillance footage was copied to a USB drive provided by Stoney's management. Detective Villariasa I was later able to create copies of the footage by saving it on a DVD-R disc. The DVD-R was impounded into evidence at the National City Police Department under bar code #10066867.

From the recorded surveillance footage, it would appear that [REDACTED] and Osuna drank to the point of inebriation. I had spent at least two hours in the company of [REDACTED] and was able to identify her according to sight and was familiar with the top she was wearing. I was able to identify Miguel Osuna based on him being with [REDACTED] on the surveillance footage at Stoney's as well as management identifying him as "Michael", being familiar with him and recalling having to cut him off from alcohol sales.

I was able to establish the following timeline based on the date time stamp on the surveillance video:

May 6, 2011

Camera 12 shows [REDACTED] and Miguel Osuna appear on video at the top center of the screen almost out of range (but are identifiable).

LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

@ 1954 hours: Both are around a large table consisting of five Hispanic male adults and initially one, but eventually three Hispanic female adults.

2000-2001 hours, Osuna initially drinking what appears to be a tall dark beer, leaves table to order what appears to be spirits in two shot glasses

@20:05 hours, Osuna goes to bar and returns with two more spirits in shot glasses

@ 20:06 hours, Osuna returns with two more shots and toasts at the table; he and [REDACTED] drink shots, and Osuna consumes dark beer

@20:11 hours, [REDACTED] hands Osuna money at which point he goes to bar and then out of camera view possibly to the restroom

@20:12 hours, Osuna returns to the line at the bar and orders a drink which he hands to [REDACTED]

@20:18 hours, Osuna goes to bar and turns again with appears to be alcoholic spirits in shot glasses

@20:00 hours, another toast at the table

@20:21 hours, Osuna orders two more shots which he and [REDACTED] consume

@20:22 hours, Osuna continues drinking his dark ale beer

@20:25 hours, a large, Hispanic male at the table who does appear to be an acquaintance of [REDACTED] and Osuna brings Osuna a beer

@20:45 hours, [REDACTED] is seen drinking a beer

@20:47 hours, Osuna leaves the table and returns with shots as he appears to stagger; [REDACTED] also has a drink at this point

@20:49 hours, it appears, but is unclear if [REDACTED] is consuming another drink

@20:49 hours, [REDACTED] shows signs of being inebriated by the way she is moving and holding onto furniture

@20:54 hours, Osuna returns from the bar with two more shots; one for him and the other for the larger Hispanic male; [REDACTED] knocks over a bar stool and staggers as she holds on to furniture

@20:57 hours, [REDACTED] shows signs of clearly being inebriated and appears to become less coherent

@20:58 hours, Osuna and [REDACTED] stagger out of the bar

@21:23 hours, Osuna returns to Stoney's and the table with the same people

@21:24 hours, Osuna consumes a beer

@21:30-21:32 hours, Osuna buys another round of shots and toasts with the Large Hispanic male in a white T-Shirt

@21:33 hours, Osuna shows signs of inebriations (unsteady gait staggering side to side)

@22:01 hours, Osuna is drinking beer at bar

@22:22 hours, Osuna leaves bar with beer in hand

@22:23 hours, Osuna returns to bar with beer in hand

@22:25 hours, Osuna has a beer appears to drink (visually blocked by pillar)

@22:28 hours, Osuna appears to be inebriated, it appears female bartender refuse to serve him anymore

@22:30 hours, Osuna leaves Stoney's for the evening

CAMERA #10: Records surveillance footage from an elevated view of the front of northwest parking lot and street in front of Stoney's. Of particular interest, was the fact the video shows the vehicle associated with Osuna and [REDACTED]

@19:55 hours, the white sedan driven by Osuna belonging to [REDACTED] is recorded on video parked along the southwest curb of West 25th Street.

@20:59 hours, a shorter Hispanic male in a white t-shirt is in front of Stoney's on a cellular phone. This same male is one of the males who was also drinking and acquainted with [REDACTED] and Osuna and may possibly be [REDACTED] brother. [REDACTED] is being carried out of the bar by Osuna and the couple fall just before reaching their car. This Hispanic male helps them by opening the passenger side door of the white sedan

@21:00 hours, both Osuna and [REDACTED] fall to the ground again just next to the open passenger side door

@21:02 hours, the same male (believed to be [REDACTED] brother) helps [REDACTED] into the passenger seat of the car

@21:02:58 hours, Osuna is in the driver seat of the sedan, headlights come and the car drives away east on 25th Street

@21:16:49-58 hours, same white sedan returns to the area; makes an awkward three point turn and parks in the original spot along the south curb to the west of Stoney's bar.

@21:17: 13-15 hours, Osuna exits and returns inside Stoney's

@21:19 hours, same Hispanic male in the white tee shirt (believed to be [REDACTED] brother) and Osuna return to peer into the passenger side of the white Sedan

@21:21-22 hours, with Osuna driving, the white sedan leaves again initially heading east on 25th Street only to make a 3 point turn to return seconds later and park in the same spot

@21:23 hours, Osuna puts on jacket and re-enters Stoney's bar

@21:25 hours, Hispanic male ([REDACTED] brother) returns to car and peers into the passenger window of the sedan

@21:34 hours, Osuna looks into passenger window

@21:40 hours, Osuna looks into passenger window

@21:50 hours, Hispanic male returns to car

@22:00 hours, Osuna looks into car from passenger window

@22:30 hours, Osuna leaves Stoney's stumbling and checks on passenger then gets into the driver seat

@22:31 hours, Osuna drives away from the south curb

I also assisted in this investigation by conducted a witness check and follow up specifically at the addresses of [REDACTED] On Tuesday, May 10, 2011 at about 1430 hours, I knocked on the door of [REDACTED] and was met by [REDACTED]. [REDACTED] was a renter at the address, primarily spoke Spanish and very little English. I was able to determine she was home when the incident with Miguel Osuna occurred in the 300 block of 22nd Street and she was a potential eyewitness to the entire event. A Spanish speaking officer or Detective will have to follow up with [REDACTED]

[REDACTED] also lived in the residence and was able to provide a statement regarding her witnessing limited parts of the same incident involving Osuna. She did tell me her boyfriend [REDACTED] witnessed most of the incident and quite possibly was an eyewitness. [REDACTED] interview was not recorded.

Immediately following my interview with [REDACTED], I responded next to [REDACTED] and received no answer.

STATEMENT:

[REDACTED]
Was present inside her home on May 6, 2011 at about 2300 hours when she saw the police conducting a traffic stop in the 300 block of East 22nd Street which is on the south side of her house. Her roommate [REDACTED]

initially got her attention by saying, "Hey, something is going on outside!" [REDACTED] also heard the dogs growling at the same time which enforced that something was occurring.

[REDACTED] looked outside, and saw the street was blocked off by cop cars with fire trucks waiting up the street on 'D' Avenue. At this point she realized the situation was a bigger deal than just a traffic stop. Her boyfriend [REDACTED] was in the backyard actually looking on as the police had their guns drawn and talking to the driver of the white car. To [REDACTED] it appeared the driver was really drunk and didn't know what was going on. She says this because he looked floppy in his movements and not precise at all. He (the driver of the white sedan stopped by police) just looked "wasted".

[REDACTED] continued to watch from the backyard for one to two minutes longer and saw how cautious the cops were being because they didn't run up to pull him out of the car or anything. When she saw the helicopter, she realized the situation seemed "a bigger deal than just a drunk driver". At this point [REDACTED] decided to go inside for many reasons and became irritated when [REDACTED] would not come inside with her.

[REDACTED] was able to convince [REDACTED] to come inside and after he was inside for a few minutes she heard, "pop, pop" or "pop, pop, pop", which they thought was backfire. Just as she thought out loud what a time for a vehicle to backfire, [REDACTED] assured her it was gunfire and not from a car. [REDACTED] came running towards the living room to tell them it was actually gunfire and not a vehicle backfiring. She looked outside and it appeared to her that of the police cars moved out of the way which allowed the driver in the white sedan to drive passed the cars

As far as what [REDACTED] could see of the driver in the white car was the windshield and front windows. She was able to make out about from his shoulders to head although she would obviously not be able to identify the male if she saw him again. She could however tell he was a male and not a female. [REDACTED] never returned outside, but she did look out into the street to see officers blocking off the crime scene.

END OF REPORT.

Vehicle Processing Supplemental

On Wednesday, May 11, 2011 I processed a white [REDACTED] CA license [REDACTED], for evidence. The vehicle was driven by the suspect involved in an assault on a police officer and a possible rape on May 6, 2011. The vehicle was being stored in the locked examination cage located in the underground parking structure of the National City Police Department (NCPD).

At approximately 1130 hours, I began taking photographs of the exterior and interior of the vehicle. The vehicle had damage to the front end and the bumper was sitting on the hood. There were no hub caps on the wheels and the front passenger door would not open. I noticed two bullet holes on the exterior driver door which went through to the door frame. I observed and collected bullet fragments from the bottom of the door frame. I photographed the holes in the driver door and labeled them 'A' and 'B'. Bullet hole 'A' was located approximately two feet from the front left tire and approximately 13 inches from the ground. Bullet hole 'B' was located approximately 3 feet and 10 inches from the front left tire and approximately 1 foot and 10 inches from the ground. I placed trajectory rods through the holes in the driver door and took photographs documenting the bullet path.

Inside the vehicle on the driver's floorboard were a Samsung cell phone, a Cricket cell phone, a set of keys and a one dollar bill. There was a second set of keys in the ignition although the car would not start and I was unable to open the trunk. Vomit covered the gear shift and the floor between the center console and the front passenger seat. On the front passenger floorboard was a pair of jeans and black underwear, a Mossimo sandal, a purse, a make-up bag and a water bottle with a small amount of red liquid inside. Inside the purse was a California driver's license in the name [REDACTED] and a Visa card.

Detective Bavencoff met me in the examination garage and asked me to collect the jeans and the underwear along with the bullet fragments as evidence. He asked that the phones, the purse with the ID and the Visa card, the two sets of keys, the make-up bag and the sandal be placed in a bag and given to Detective Villarias who was in contact with the victim in this case.

I finished the assignment and transferred the digital images from the camera to a CD-R which I impounded into evidence. Listed below are the items I collected from the vehicle and impounded into the NCPD Property and Evidence Unit.

Field Call-Out Supplemental

On Friday, May 6, 2011 at approximately 2345 hours, I received a call on my department cell phone from Detective Bavencoff asking me to respond to 22nd Street and D Avenue in National City to assist in processing the scene of an officer involved shooting.

I arrived on scene at approximately 0100 hours for the case briefing held by Sergeant Aydelotte. According to Sergeant Aydelotte, a suspect fled the scene of a possible rape in a white [REDACTED]. The suspect evaded police and in the process hit a black [REDACTED] parked at 22nd Street and C Avenue. National City Police Officer Taylor fired [REDACTED] shots into the driver door of the [REDACTED].

After the briefing, Detective Bavencoff asked me to take photographs of Officer Taylor at the National City police station. At approximately 0200 hours, I drove to the station and took photographs of Officer Taylor in his uniform.

After taking the photographs of Officer Taylor, Detective Bavencoff asked me to take photographs of the scene of the officer involved shooting located at 22nd Street and C Avenue. I drove to the scene and met with Detective Klos. Two orange cones were placed next to two bullet casings from Officer Taylor's gun. At approximately 0230 hours, I began taking photographs of the scene which included the damage to the BMW, two skid marks located on the street next to the BMW and the two bullet casings. After taking the photographs, I collected the bullet casings and sealed them in two evidence boxes. I gave the casings to Detective Klos to impound into evidence.

I finished the assignment and left the scene at approximately 0400 hours. Listed below are the two CD-R's I impounded into evidence.

Evidence List

<u>Property Tag</u>	<u>Description</u>
I0067788	(2) CD-R's containing photographs of 22 nd Street and C Avenue
I0067789	(1) CD-R containing photographs of Officer Taylor

OFFICERS REPORT

On 05-06-11, at approximately 2243 hours, I was in the National City Police department's temporary holding facility processing a prisoner that I had arrested. While completing my paperwork, I heard over the radio that Sgt. Aydelotte had been in a short vehicle pursuit and that he and other NCPD officers were now conducting a, '██████████' on the vehicle in the 300 block of E. 22nd St. As I listened, I heard Sgt. Aydelotte advise that the suspect, later identified as Michael Osuna, was being uncooperative and was refusing to exit the vehicle. After several minutes Sgt. Aydelotte requested a unit with a ██████████ make it his location.

██████████. Because I am a ██████████ officer, I carry with me ██████████. I transferred my prisoner to Officer Stinnett and drove to the scene. When I arrived, I ██████████ the East bound lane of E. 22nd at C Ave. Officer Taylor was already in the intersection upon my arrival and his vehicle was pointed north and ██████████ of E. 22nd St. at C Ave.

I exited my vehicle and walked one block east to where the '██████████' was occurring. I made contact with Sgt. Aydelotte at approximately 2255 hours. After contacting Sgt. Aydelotte, I positioned myself ██████████ of the suspects open drivers' side window. Officer Hernandez was also at this location and had his ██████████ issued ██████████ weapon pointed at Osuna. For approximately 15-20 minutes Officer Hernandez and Sgt. Aydelotte attempted to coerce Osuna out of the vehicle. Osuna refused to exit the vehicle and continuously was seen digging around under the drivers seat and on the floor of the rear seats.

Osuna's actions lead me to believe he possibly had a weapon and was preparing to assault or kill officers. After approximately 20 minutes had passed, Osuna suddenly started the engine of his vehicle and drove off westbound on E. 22nd St toward Officer Taylor's vehicle. I ran toward the area because I believed that Osuna was going to ram either Officer Taylor's vehicle or Officer Taylor. As I ran toward E. 22nd and C Ave, I watched as Osuna rammed his vehicle between the front of Officer Taylor's vehicle and a parked ██████████ that was against the north curb line of E. 22nd St. From my perspective, it looked like the ██████████ was pushed onto the sidewalk and the front of Officer Taylor's vehicle was also struck.

During this collision, Officer Taylor had been standing ██████████. I saw that Officer Taylor had his pistol out of its holster and was holding it at ██████████. As Osuna forced his vehicle between the parked ██████████ and the front of Officer Taylor's vehicle, it appeared to me that Osuna turned his vehicle to the left and appeared to be heading for Officer Taylor. I saw Officer Taylor take several steps backwards as the front Osuna's vehicle approached him. I believed that Osuna was going to hit Officer Taylor with his vehicle and while still running, I raised my ██████████ rifle and attempted to put Osuna in my sights. My thought was that if Osuna continued toward Officer Taylor, I was going to shoot him. ██████████ I heard ██████████ gun shots and saw the muzzle flash come from Officer Taylor's pistol.

I now believed that Osuna had been shot for attempting to run Officer Taylor over. Just as I reached Officer Taylor's location, Osuna applied the gas, turned to his right and drove off westbound on E. 22nd St. toward National City Blvd. I immediately jumped in my patrol vehicle activated my overhead lights and siren and pursued Osuna. Osuna drove

westbound on E. 22nd St., he failed to stop for the stop sign located at National City Blvd and E. 22nd St. and sped through the intersection. Osuna continued westbound on W 22nd St. at speeds approaching 50mph. When Osuna reached the intersection with Wilson Ave., he turned southbound on Wilson. This portion of Wilson Ave. is a one way street and Osuna drove against the flow of traffic at approximately 40-50mph. As Osuna reached the intersection with Mile Of Cars Way and Wilson Ave. he failed to stop for the red light and entered the intersection at a high rate of speed. Osuna then turned westbound on Mile Of Cars Way and headed toward the entrance to the I-5 Northbound freeway. Osuna failed to stop for the red light at Mile Of Cars Way and the I-5 northbound onramp and rounded the corner at approximately 40mph. Osuna drove up the onramp, entered the freeway and accelerated to approximately 90mph northbound on the I-5.

Osuna then swerved around several vehicles finally positioning himself in the number two lane of travel. Osuna's speed was now at 90 plus miles per hour. I continued to follow Osuna with my over head lights and siren activated. After approximately half a mile, K-9 Officer P. Hernandez caught up with me and became the second NCPD unit in the pursuit. As we approached the entrance to the I-75 freeway (Coronado Bridge) Osuna suddenly veered from the number two lane, crossing all the lanes of travel and took the Coronado bridge exit.

Osuna's speed as he crested the Coronado Bridge was approximately 85mph. The posted speed on the bridge is 50mph. Osuna continued over the bridge and into the City of Coronado. After passing through the Toll Plaza, Osuna made a high speed right turn onto Glorietta Blvd. Traveling at speeds of 50mph, Osuna failed to stop for the posted stop sign at Glorietta Blvd and Third St.

Osuna continued on Glorietta Blvd at a high rate of speed until Glorietta Blvd changed into Second St. Osuna then made another high speed left turn from Second St. onto southbound Soledad Place. Osuna continued on Soledad Place and turned from Soledad Place onto eastbound Third St. Where Third St. reconnects with Glorietta Blvd, Osuna made a high speed right turn and headed southbound on Glorietta Place. Osuna failed to stop for the stop sign at Third St. and Glorietta Blvd.

Osuna continued on Glorietta Blvd and at the intersection with Fourth St. he failed to stop for the stop sign. Osuna continued south across Fourth St. and drove his vehicle over the concrete center median almost colliding with the "No Left turn" sign. Osuna made a left turn and was now headed eastbound on Fourth St. Fourth St. is the entrance for the eastbound lanes of the Coronado Bridge. Osuna again passed the Toll Plaza and accelerated onto the eastbound lanes of the bridge at speeds of 80 plus miles per hour.

Osuna continued up and over the apex of the bridge and just after cresting the top of the span, Osuna came upon two vehicles that were also traveling eastbound. Osuna attempted to swerve between these vehicles but his maneuver was unsuccessful. As a result, Osuna over corrected and collided with the center median. Because of his high rate of speed this collision was not enough to stop his forward momentum. Osuna bounced off the center median, skidded across the eastbound lanes and collided with the concrete jersey wall on the outer edge of the bridge and was then thrown back to the center median where the front of his vehicle became wedged into the moveable center barrier.

Osuna's vehicle was now stopped and he was still in the driver's seat. I stopped my vehicle directly behind his and initiated a " " Officer Hernandez () came up and took a position (). I

attempted to call Osuna out of the vehicle for approximately 20 seconds. While doing this, I could see that Osuna was attempting to drive away. I determined this because I saw the reverse lights of his vehicle activate at least three times indicating that he was attempting to back off of the center median. Fortunately, his vehicle had sustained significant damage and was inoperable.

After approximately 20 seconds Osuna crawled out of the open driver's side window, jumped over the front of his vehicle and began jogging toward the edge rail of the bridge. Upon seeing this I believed that he was either going to jump off the bridge or attempt to hold us at bay by threatening to jump. Officer Hernandez and I chased after him and tackled him prior to him reaching the edge. Once on the ground, both Officer Hernandez and I were yelling "Show us your hands, Stop resisting." Osuna refused to show us his hands and appeared to be reaching for his waist area. Both Officer Hernandez and I struck Osuna with our fists in the area of his back and arms in an attempt to gain compliance. Finally, we were able to pull Osuna's arms out of his waist area and we placed him in handcuffs.

The distance that this pursuit covered was approximately 8.9 miles. I have attached a street map of the area where this pursuit took place and have highlighted the route. Refer to attached map. Refer to list below for the vehicle codes that were violated by Osuna during the pursuit. No Officers or civilians were injured during this incident and no property other than Osuna's vehicle was damaged.

VEHICLE CODE VIOLATIONS:

2800.2. (a) VC Evading peace Officer: Reckless Driving (Felony)

22450 (a) VC "Must stop at posted stop sign

22107 VC Signal must be used prior to turning movement

22350 VC Basic speed law

Officer Supplemental Report

On 05-06-11, at approximately 2246 hours, NCPD officers were dispatched to an urgent check the welfare regarding a female who was partially nude and lying in the street in the area of E. 24th Street and "D" Avenue. After arriving on scene, Officer Cardoza advised that a possible suspect vehicle, described as a white [REDACTED] was seen leaving the area eastbound on E. 24th Street from Highland Avenue.

I responded to assist from the area of E. 18th Street and "L" Avenue. I immediately drove southbound towards E. 24th Street in an attempt to locate the suspect vehicle. When I arrived less than a minute later, I did not see any vehicles similar to that of a white [REDACTED]. I then drove west on E. 24th Street in the direction of Officer Cardoza and the downed female. As I was driving westbound in the 400 block of E. 24th Street, Officer Cardoza advised that the suspect vehicle had returned to the scene and was in the process of making a right turn (northbound) onto "D" Avenue from E. 24th Street (2251 hours). I immediately got behind the vehicle as it made the turn and used my driver's side spotlight to illuminate the rear license plate (CA [REDACTED]). As the [REDACTED] turned onto northbound "D" Avenue it accelerated and made a sudden right turn (without signaling) into a parking lot on the east side of the street (National City Park Apartments parking lot, 2300 block of "D" Avenue). As the [REDACTED] pulled into the parking lot, I activated the overhead lights on my patrol vehicle (#438) in order to conduct a traffic stop. The driver of the [REDACTED] later identified as Michael Angel Osuna (DOB 01-24-76), briefly slowed down and it appeared that he was going to stop. Suddenly, Osuna accelerated northbound through the parking lot and then turned west (left) towards the parking lot exit. Without stopping, Osuna made a right turn back onto northbound "D" Avenue. By this time, both the lights and siren on my patrol vehicle had been activated. Upon exiting the parking lot, Osuna accelerated and drove off northbound on "D" Avenue. At that time, I advised NCPD Dispatch that I had a failure to yield. After traveling a short distance northbound on "D" Avenue, Osuna made a sudden left turn (without signaling) onto E. 22nd Street (300 block). Shortly after turning onto E. 22nd Street, Osuna pulled over against the north curblane. I immediately initiated a high-risk vehicle stop (aka "hot stop") on the white [REDACTED].

At gunpoint, I ordered Osuna to put both of his hands outside the driver's window. Osuna initially complied with my order. I then ordered Osuna to reach back into the vehicle with one of his hands, turn off the car, and remove the keys from the ignition. Osuna complied with my order. I then ordered Osuna to place the car keys on the roof of the vehicle. Osuna complied with my order. Officer Cardoza was one of the first units to arrive on scene and assist me with the felony vehicle stop. Officer Cardoza took up a position [REDACTED] at my front passenger door. I was soon joined at the driver's door by K9 Officer Hernandez and his police K9 "Sat." Officer Hernandez requested that he take over the verbal commands being given to Osuna. It was about this time that Osuna placed his hands back inside the vehicle and out of sight. Officer Hernandez demanded Osuna put both of his hands back outside the window. Osuna did not follow Officer Hernandez' orders and kept reaching back inside the vehicle. When Officer Hernandez demanded that Osuna exit the vehicle, he refused. When it became apparent that Osuna was not going to cooperate and exit the vehicle, Officer Hernandez secured his K9 back in his patrol vehicle. I resumed giving the verbal commands to Osuna.

As additional officers arrived on scene to assist, I had some of them position their patrol vehicles in such a way as to prevent Osuna from fleeing the scene and leading officers on a second pursuit. Officer Taylor and Corporal Ballardo placed their patrol vehicles across E. 22nd Street near the intersection of "C" Avenue to prevent a westbound escape.

K9 Officer Hernandez positioned his patrol vehicle [REDACTED]

For the next approximately 20 minutes, Osuna refused to cooperate with officers, display his hands, and exit the vehicle. Osuna made several threatening movements while inside the vehicle as he moved around inside the cab. The rear windows on the [REDACTED] were tinted making it even more difficult to see what Osuna was doing inside the vehicle. Osuna's movements and non-cooperation made officers on scene fearful that he was trying to arm himself with a weapon (suspected firearm) and that he was in the process of trying to load that firearm.

During the standoff, Sergeant Hernandez directed Osuna in Spanish to place his hands outside the driver's side window just in case he was more familiar with the Spanish language. Osuna did not comply when the orders were given in Spanish.

As the standoff continued, I requested the assistance of the Sheriff's Astrea helicopter. When Astrea arrived on scene, I requested that they try and determine if there were any other occupants inside the vehicle. Astrea advised that the driver appeared to be the only occupant. Astrea remained on scene throughout the standoff and throughout the pursuit which later followed.

(A video containing the standoff and pursuit was captured by Astrea. That video should be ready for pickup at Astrea Base on 05-09-11.)

Throughout the standoff, I continually updated NCPD Dispatch on Osuna's non-compliance. (Refer to the recorded dispatch tape for details regarding the standoff and Osuna's failure to comply with officers orders.)

At approximately 2315 hours, Osuna reached up and retrieved the keys from the roof of the vehicle. A short time later, Osuna turned the vehicle back on and put the car in reverse. Osuna then began backing up in the direction of my patrol vehicle. Osuna then turned away from the curb and drove off westbound on E. 22nd Street in the direction of the [REDACTED]. The [REDACTED] did not stop and collided with a black [REDACTED] parked near the northeast corner of E. 22nd Street and "C" Avenue. Shortly after the traffic collision, I heard (2) consecutive gunshots. The [REDACTED] continued traveling westbound on E. 22nd Street. It was at this time that I advised NCPD dispatch that we just had "shots fired." I remained on scene and did not participate in the vehicle pursuit that followed.

I immediately retrieved some crime scene tape from the trunk of my police car and began to cordon off the scene. I was assisted in this process by Sergeant Valdivia (CVPD) and K9 Officer Conley (CVPD). While securing the crime scene, Officer Conley directed me to (2) bullet casing found in the middle of intersection with E. 22nd Street and "C" Avenue. In order to prevent the (2) casing from being disturbed, I placed two traffic cones next to each casing to help identify their location. I remained on scene until approximately 0430 hours.

On 05-07-11, I returned to the parking lot where I had originally attempted to conduct the traffic stop on the white Nissan. Using the odometer on my patrol vehicle (#438), I drove from the parking lot to the 300 block of E. 22nd Street where Osuna had pulled over after a short pursuit. The total distance of this pursuit was approximately .1 miles.

ADDITIONAL CODE SECTION(S)					
LOCATION OF INCIDENT, CITY STATE ZIP 300 E 22ND ST, NATIONAL CITY, CA 91950					

On May 6, 2011 at about 2246 hours I was the Patrol Watch Commander (Lieutenant) on duty for the National City Police Department. I was in my office at the National City Police Department and monitored a radio call where NCPD patrol units were dispatched to E. 24th St. and D Ave. to check the welfare of a HFA in her 20's that was possibly drunk without pants lying under a car. The car was described as a white [REDACTED] CA plates [REDACTED]

I continued to monitor the radio call and heard units arrive at the scene, request an ambulance and report that the white [REDACTED] had left the scene. A short time later I heard Sgt. Aydelotte radio that he had located the white [REDACTED] and it was failing to yield. Sgt. Aydelotte then radioed that the vehicle had yielded at 300 E. 22nd St. and a [REDACTED] was in progress. I continued to monitor the radio call and could hear Sgt. Aydelotte making several radio transmissions that described the driver of the vehicle as not following instructions and making erratic movements within the vehicle. At this time, which was now about 2257 hours, I decided to respond to the scene of the hot stop to assist.

Upon arrival I saw several police vehicles and officers at the intersection of E. 22nd St. and D Ave. conducting a hot stop on a white [REDACTED] sedan. The [REDACTED] was parked against the north curb line of E. 22nd St. facing westbound on E. 22nd St., just west of D Ave. Sgt. Aydelotte was directing the hot stop from his driver door. Sgt. Aydelotte's vehicle was the vehicle directly to the rear of the [REDACTED]. Sgt. Aydelotte was requesting a [REDACTED] gun at the scene. I had procured a [REDACTED] from an officer prior to leaving the police station and gave it to Sgt. Hernandez when I arrived on scene. Sgt. Hernandez asked me if we should lock down the scene for a [REDACTED] call out or attempt firing [REDACTED] rounds into the [REDACTED]. I instructed Sgt. Hernandez to fire [REDACTED] rounds into the [REDACTED].

As Sgt. Hernandez set up in position to fire the [REDACTED] the suspect vehicle backed up and drove off westbound on E. 22nd St. (I later found out that Sgt. Hernandez had attempted to fire about 10 rounds into the [REDACTED] but the air pressure in the [REDACTED] was insufficient and the rounds did not have enough energy to exit the launcher or reach the vehicle). The [REDACTED] headed west on E. 22nd St. toward a police vehicle that was parked blocking traffic at E. 22nd St. and C Ave. I lost sight of the vehicle as it reached C Ave. because my vision was impaired by the many LED police emergency lights that were still activated. At about the time the [REDACTED] reached C Ave. I heard two quick gunshots. The [REDACTED] was then reported by ASTREA to still be headed west on E. 22nd St. indicating to me the vehicle had breached the containment of the police vehicle posted at C Ave. Sgt. Aydelotte then radioed that there had been shots fired. There were no reports of injured officers so I assumed for the moment that a police officer posted at C Ave. had fired the [REDACTED] gunshots and then pursued the [REDACTED].

Sgt. Aydelotte, myself and two Chula Vista Police Officers, Sgt. Carlos Valdivia and K-9 Officer D. Conley #968, remained at the scene of the shooting to assist with scene security. I directed Sgt. Hernandez to respond to supervise the pursuit and any subsequent arrest of the suspect. After a pursuit of the [REDACTED] to Coronado the suspect vehicle crashed on the Coronado Bridge and the suspect was taken into custody. I called the Investigation's Commander, Lieutenant Craig Boegler, and initiated a call out of Detectives to investigate the incident. I also called and notified Executive Lieutenant Jose Tellez to begin notifying the Chain of Command. I remained at the scene of the shooting to assist with supervision and briefings of responding Staff and Investigations personnel. I cleared from the scene at about 0315 hours.
